

## **PRIVATE PARTY INFORMATION**

Our private parties are typically three-hour functions, but we can work with your group to find the time frame that best fits your occasion. We are happy to hold tables for non-private parties until no later than 9pm.

We offer two drink packages of \$30 and \$40 per person. Each package is good for three hours of open bar.

For private cash bar (pay as you go) parties the minimum spend amount will need to be determined by the bar and host depending on the desired time frame.

**\*In the event you choose a drink package, please inform all of your guests that they *must* purchase a full-price wristband in order to enter the private space. Exceptions can be made for designated drivers, pregnant guests, or guests with medical conditions. This must be prearranged between the bar and host. Any discounts must also be prearranged with the bar and host.**

**\*Gratuity is not included**

**\*Shots are not included in the drink packages**

Guests are welcome to bring in or have any food delivered to the bar during the hours of the party.

If you would like to make a reservation, please visit [remedybarchicago.com](http://remedybarchicago.com) and fill out the form on our private parties page or phone our office location: 773.227.7224.
